BEARS TINS

Bears Tins Coming Soon

The Bears tins are on their way! No booing or hissing, we have quite a few Bears fans in our Council. We only have a limited stock that we are offering so you can show what the tins will look like. For anyone interested in receiving a Bears tin please contact Gina so she can put you on the list. We will notify you when they arrive so you can pick them up. We appreciate your patience but in the mean time you can get out there and start selling those Packers tins.

BLITZ WEEKEND DEADLINE

Blitz Weekend is this weekend, September 21 to 23! At the end of the **Blitz Weekend** the five individual Scouts who have sold the most product in the entire Council will be awarded a Razor E150 Electric Scooter and Helmet. This prize is awarded Council-wide, and not by District, so the five Scouts could all be in the same general area.

But to even qualify, the unit kernel (or parent) must provide a summary page detailing **Blitz Weekend** sales by Scout, along with copies of all supporting sales forms, to Gina **no later than noon** on Monday, September 24(no exceptions). You can scan and email the documents, copy them and drop them off at the Milwaukee Service Center in person, or fax them to Gina at 414-774-1799. But it must be done by noon, without exception. If they miss that date and deadline the Scout cannot be considered. Winners will be determined later that day and announced in the following edition of the Popcorn Kernel's Journal.

REPLENISHMENT WAREHOUSE HOURS

After the Show and Deliver pick-up this week, both Council Scout Service Centers will have product available for replenishment requests. But as with the Show and Deliver pick-up, it will only be by advance appointment with Gina. This is so that Gina can make sure sufficient product to fill your request is available at the Scout Service Center you desire.

- Milwaukee Scout Service Center replenishment hours are scheduled for Wednesdays from 10am to 5:30pm, and Saturdays from 9am to 11am. Please make your appointment at least 24 hours in advance.
- Racine Scout Service Center replenishment hours are scheduled for Tuesdays and Fridays from 9am to 4pm. Please make your appointment at least 24 hours in advance.

UNIT CHECKS FOR PRODUCT PAYMENTS

Units checks used for popcorn payment may be post-dated to November 30, and wreath payments to November 23. However, any check not post-dated as such will be deposited on the date stated on the check itself. On Reconciliation Day make sure your unit checks is dated appropriately.

A PERSONAL NOTE ABOUT ONE OF OUR STAFF ADVISORS

It is with mixed emotions that I pass along information to our 2012 unit popcorn kernels of the impending resignation of long-time Popcorn Staff Adviser Katie Dembowski. She is starting on a new journey in her life, and will be leaving the ranks of professional Scouting effective October 5. But she does not get to leave Scouting behind, as her son will be a Tiger Scout next fall!

Katie has been a professional Scouter for almost a dozen years, and a council staff adviser for popcorn sales ten years. The last four years I have worked with her as the Council kernel, and it has been both an honor and pleasure to do so. Katie's humor, knowledge and experience will be missed, but I wish her the very best in her future endeavors, especially in her expanding role as soccer mom, and her future role as a Scouting mom!

On behalf of those of us who have worked with Katie over the years, the only thing left to say is a quote from Bob Hope — Thanks for the memories!
