Units New to Show & Sell

Units new to Show & Sell, we recommend setting a small goal per Scout to place your order. For example, a goal of \$250 per Scout participating in the Show & Sell is a good starting point. Show & Sell Orders are in cases only

Roundy's-Show and Sell

Registrations will be open at 8:00 am, August 16th.

Procedures and Expectations

- Step 1: Please see the attached document for Sign-Up Genius registrations. These must be followed in order for your unit to participate. It is recommended that 1 individual (Kernel) from your unit do all the registrations for all families.

Units who do not comply with procedures and expectations will be removed from sign ups at all locations and will have to re-register. We do not want to do this, but to make availability for ALL units we can ask our contact with Roundy's do so.
