Slice of Ice with Venturing Crew 999
*Free Event**
January 18, 2014
12 noon to 3 pm

Park Setting
Milwaukee County's Red Arrow Park, in downtown Milwaukee, was redesigned in 1999 with private and public funding and is now home to *Slice of Ice.* The park was named to honor the 32nd Red Arrow Division of the US Army. A red granite sculpture depicting the insignia of this division stands in the park today.

Outdoor Refrigerated Rink
Comfortably accommodating 100 skaters at a time, the 128-by-95 refrigerated oval is open from December through February (or March if the weather allows) – even in temperatures as high as 50 degrees! The rink is bordered by a 3-foot-6-inch railing, so even if you're a skater with weak ankles, you can come out to enjoy the ice.

In the Warming House. . .

- restroom facilities
- ice skate rentals
- lockers (limited availability)
- Starbucks, selling coffee and bakery

Through the floor-to-ceiling windows in the warming house or from the rooftop overlook, you'll have a great view of all that's happening on the ice.

***There is no cost to skate.** If you need skates, Red Arrow has a skate available. Skate sizes range from toddler size 8, to women's size 11 and men's size 14. Under 18-$7.00, 18 and older, $8.00 (includes tax). Skate Sharpening available for personal skates $6 per pair, includes tax*

This is a non-regulated activity. Each Crew is responsible for tour permits, permission slips for members and guests. Two deep trained adult leadership is also required.
