## NEW FOR 2020

**2020 Animal – The Barred Owl:** This year's animal is Sweet Pea, the Milwaukee County Zoo's barred owl. Her exhibit is located in the Family Farm at the Stackner Animal Encounter area. We are excited to showcase her on our 2020 event patch.

**2020 Discount Opportunities:** As a special deal for the 2020 event we are offering a 20% discount for the first 20 days that registration is open. Beginning February 13, 2020 (6:00 p.m.) through March 4, 2020 (11:59 p.m.) registering units can use the discount code **SWEETPEA20** to receive 20% off. Additionally, we are offering a 15% discount from March 5, 2020 (12:00 a.m.) through March 31, 2020 (11:59 p.m.) using code: **OWL15**. No discounts can be applied after April 1, 2020.

**Commissioner's Challenge Activity:** For units who are at the zoo on Friday night, we will be offering this new station-based activity. Scouts can participate as a whole unit or as a patrol or den. Groups will move around the zoo and solve puzzles, riddles or do some other activity to earn completion points and will encounter an ice cream station somewhere along the trail.

**Legendary Fitness Returns:** Returning for 2020, Legendary Fitness, a local obstacle course gym, will be adding several new age-appropriate competitions for youth participants. They will again be located in the green space near the aviary.

**Taco Lunch Option:** Due to numerous requests, the Scouting the Zoo committee has added a lunch option for participants. A \$4.00 ticket will get you two soft-shell tacos, Spanish rice, refried beans, orange slices and juice. Additional tacos may be available for purchase at the event.

**New Dinner Menu:** For this year we are going to be changing the Saturday night dinner option to pulled barbeque chicken. Meal tickets are purchased during event registration and additional sandwiches may be available for purchase at the event.

**Sling-bag Sale:** For 2020, we will be offering a sale of Scouting the Zoo branded sling-bags. Several color options will be available. Please look to Facebook and the council website for more details in late March.

**2020 Critter Crawl (5k Run & 1 Mile Walk):** Beginning this year we are adding a 5k run and 1 mile walk to our Saturday morning program. This is not designed as a fundraising event, however, any proceeds will be donated to animal or program needs of the Milwaukee County Zoo on behalf of our event. This activity is open to all but will not be publicized widely outside of our Scouting family and friends for the first year. More information will be released in March 2020.

This program is open to anyone registered in Cub Scouts, Scouts BSA, Venturing or Exploring, including adult leaders, family members and the general public. The program will provide hands-on experiences led by youth members that are exciting for all ages.

Location: Milwaukee County Zoo, 10001 West Bluemound Road, Milwaukee, WI 53226

These Scouts are invited to camp Friday through Sunday or attend for the day on Saturday with their unit under the rules and regulations of the Boy Scouts of America.

# General Information

**Prohibited Items:** Frisbees, footballs, baseballs and games of catch (of any sort) are **not allowed** due to the possibility of a ball or frisbee landing in an animal enclosure. Skateboards, skates, heelys, drones and bicycles are also not allowed. Consumption of alcohol is prohibited at all Scout events and smoking is not permitted on zoo property.

**Uniforming:** Scouts are expected to be in field uniform while walking around the zoo. Many units allow varying degrees of pants/shorts but athletic shorts are not appropriate for this type of event. Official pants/shorts, belt, socks, etc. are encouraged. Per national policies, uniforms are to be worn properly (tucked in). **While participating in zoo competitions, or after the zoo closes, Scouts may wear an activity uniform shirt.** Please remind your Scouts that they are representing the Scouting program when at the zoo. Their appearance and behavior will reflect upon their unit and the organization as a whole.

**Re-Admittance Tickets:** A very limited number will be available on Saturday to all participants and will be available upon request. Re-admittance tickets can be obtained from the Scouting information booth in the U.S. Bank Gathering Place.

**Recognition:** A commemorative patch can be purchased for an additional fee.

**Note:** Don't forget to give your Scouts credit for the numerous achievements, electives and activity badge requirements they will probably meet by participating in the event activities and service projects. Please take note of what your Scouts do, as the complexity of this event doesn't allow for a formal advancement list.

**Safety and Security:** Security for the event will be provided. The zoo and parking area will be patrolled from 6:00 p.m. until 6:00 a.m. on both Friday and Saturday nights. The parking lot gates will be closed during the night but there is an entry option in case of emergency. The event emergency contact number is **(414) 209-4008** and will be monitored by event staff. Each unit should make note of this number in order to call for assistance. We will also ask for the unit emergency contact leader and their cell phone number in case we need to contact your unit during the event. Please distribute the Scouting the Zoo emergency number to parents and participants.

Minor first aid issues may be handled by the individual unit. Larger first aid issues must be documented by Scouting the Zoo leadership team members. For larger medical issues, find and/or call for Scouting the Zoo staff. During normal zoo hours, also contact zoo personnel to alert the on-site paramedic.

The show goes on, rain or shine, so units are encouraged to plan accordingly. Weather will be monitored by the event staff and zoo personnel. In the event of severe weather, please follow the instructions of the event staff and/or zoo personnel.

# Event Activities and Highlights – Cub Scouts

**Scavenger Hunt:** This is an event to get Scouts meeting other Scouts and leaders while learning about the animals at the zoo. You will receive copies at the Friday night leadership meeting. When the scavenger hunt is completed, the form can be turned in at the Scouting information booth at the zoo entrance for drawings of special prizes. All Scouts are encouraged to participate.

**Event Parade:** The event parade will begin near the Flamingo Café at 11:00 a.m. and will tour the zoo with the culmination at the event assembly. Please plan on attending with your unit and flags. All Scouts are expected to be in field uniform for this and the previous year's Zoo Cup winner will lead the parade. Cub Scout participants will join the parade part way through.

**Service Projects:** Service project opportunities will be available at this year's event. Please take the opportunity to participate in service to the Milwaukee County Zoo in thanks for their continued support of this unique event. Stay tuned for more details this spring.

**Zoo Rides:** As a special treat to Scout participants, free rides for the zoo train and Zoomobile may be offered after the zoo closes on Saturday evening. Scouts are expected to behave in a Scout-like manner for this privilege. **Wristband required and weather permitting.**

**Secret Scouter Program:** Throughout the event, Secret Scouter agents will be walking around looking for Scouts who are not only wearing their uniforms properly but are also helping keep the zoo clean and being friendly to zoo patrons. Agent observations will result in points towards The Zoo Cup, as well as individual items being handed out on the spot. Agents could be Scouters or public visitors.

**Zero's Heroes:** This annual award will be presented to a Cub Scout pack who truly gets involved in the event. Consideration for this award will be given for Scout behavior, activity participation and overall unit conduct. The winning unit will receive a commemorative plaque and the trophy will be displayed, with the current unit number, in one of our council offices. The winning unit will be invited to join the Zoo Cup winners in leading next year's parade.

**Event Closing Ceremony:** This evening program will be held in the U.S. Bank Gathering Place beginning with an awards ceremony, the awarding of the Zoo Cup, Zero's Heroes and the beginning of the Saturday evening movie.

# Cubmobile Competition

The Cubmobile competition will take place on Saturday morning in the main parking lot of the zoo. The competition will be conducted as an all-inclusive race but trophies will be awarded in two divisions: Cub Scout and Webelos/Arrow of Light. Den teams should preregister for the race using the registration form available at [www.ThreeHarborsScouting.org/ScoutingTheZoo](http://www.ThreeHarborsScouting.org/ScoutingTheZoo) or in the back of this guide.

**RACE DIVISIONS:** All teams will race in heats and every effort will be made to set up race heats by age group but exceptions may be made due to timing. Regardless of lane and race assignments, all teams are timed and that is used for all race events. **Cub Scout Division:** This group will be composed of dens/teams of current second and third grade Cub Scouts and their cars. **Webelos/Arrow Of Light Division:** This group will be composed of dens/teams of current fourth and fifth grade Webelos/Arrow of Light Scouts and their cars. **All participants should be classified as to what they are as of June 1.**

**In both divisions, competition will be in three events. Trophies will be awarded for first and second place in each event and each age category.**

1. **THE BIG SHOW** will feature judging of each car. Points will be awarded on craftsmanship, decoration/paint job, creativity and meeting specifications.
2. **THE LONG PUSH** will feature a six-lap course where up to four cars will race at the same time. Each den/team will be assigned a pit stop area where their team will be required to perform certain actions at the end of each lap once their car has come to a complete halt.

LAP 1: Change pusher & gas up\*

LAP 2: Change pusher & driver

LAP 3: Change pusher & gas up\*

LAP 4: Change pusher & driver

LAP 5: Change pusher & gas up\*

LAP 6: Change pusher & driver

\* Gas up = Car comes to a complete stop in assigned pit area. Pit crew passes the driver ½ cup of water to drink before continuing. Water and cups will be provided.

This event will be scored on time. Deductions will be assessed for failing to come to a complete halt during a pit stop or leaving the pit without a “good to go” signal from the race official. Other infractions may result in disqualification.

3. **COOL CRUISE** will feature a ramp race where cars will be started on an incline and be propelled solely by gravity to a finish line. Each car will be timed. Each den/team will be allowed to race their car a total of three times. Times will be averaged to determine the den/team's score in this event.

# Cubmobile Specifications & Rules

## DESIGN SPECIFICATIONS

1. Wheels must **not exceed 10 inches** in diameter (measured to outside edge of tire)
2. All wheels must be equipped with **solid rubber tires**.
3. Car frame is made from 2 x 4 construction lumber.
4. The overall length of the car is a **maximum of 5 feet**, the wheel base, a **maximum of 4 feet**, and the width of the car **not to exceed 3 feet**.
5. Use roundhead ¼ inch bolts to hold frame. Screws are a second choice. Nails are not suitable because they may work loose.
6. All cars must have a seat with a braced backrest so the driver can comfortably steer with his or her feet. We suggest extending the backrest into a push bar (as shown in the diagram) to a height that is comfortable for the average pusher, but **not to exceed 3 feet** above the ground.
7. Steering is done with the feet (which are placed on the front axle) and with the hands holding a rope fastened to the front axle. No other steering mechanism is acceptable.
8. If threaded axles are used, the nuts must be secured with cotter pins or wire.
9. Cars must be equipped with an adequate safety belt securely fastened to the main frame of the car.
10. Cars must be equipped with a handbrake with its rubbing surface faced with a rubber material (such as a strip of an old tire). This will help stop the car when dragged on the ground.
11. Square safety blocks made with 2x4 lumber must be attached to the front axle no more than ½ inch from the centerboard on either side to limit turning radius (please see diagram). A ½ inch board must fit snugly between the car's center frame board and the safety blocks on either side of the front axle.

## RACE RULES

1. Drivers of cars must wear the protective headgear, knee pads, and elbow pads provided by race officials or provided by their own den as long as they've been inspected by the race officials. Each race team will be issued (or can bring): three helmets and two sets each of knee pads, elbow pads, and gloves.
2. All participants must be currently registered in a Cub Scout pack (or Scouts BSA troop in the case of graduated Arrow of Light Scouts). A mixed group of Cub Scouts and Webelos/Arrow of Lights may enter together as a team, but they must compete in the Webelos/Arrow of Light Division.
3. Each pack may enter as many Cub Scout and Webelos/Arrow of Light dens/teams as they wish. However, a Scout can only belong to one den/team.
4. Drivers must keep their feet on the axle/steering bar and are not allowed to pump or push with their hands or feet.
5. Pushers must keep their hands on the car or driver they are pushing at all times.
6. Each car must clearly display the pack number. If a pack enters multiple cars, the den number must be displayed as well.
7. Race officials may disqualify any car or den/team for failure to conform to the rules and specifications, unsafe construction, or unsportsmanlike conduct. The race official's decisions are final.
8. This is intended as a FUN activity for Scouts. It is NOT intended to evolve into win at all cost/cut throat competition. We ask that all leaders and parents involved encourage the Scouts by modeling good sportsmanship at all times.

# Cubmobile Specifications & Parts

# Pinewood Derby Rules

It is expected that all cars entered will have been made during the 2019/2020 Scouting year. All cars must pass inspection to qualify for the race. The inspection points are as follows:

- The car must have been made during the current year.
- The width of the car shall not exceed 2 ¾ inches.
- The length of the car shall not exceed 7 inches.
- The weight of the car shall not exceed 5 ounces.
- The car may be hollowed out and built up to the maximum weight by the addition of wood or solid metal only, provided any additional material is securely built into the body.
- Axles, wheels, and body wood shall be as provided in the kit or official BSA replacement kits, including colored wheels.
- Wheel bearings, washers, and bushings are prohibited.
- The car shall not ride on any kind or type of springs.
- Any details added must be within length, width and weight limits.
- The car must be freewheeling, with no starting devices.
- No loose materials of any kind (such as lead shot) are allowed in or on the car.
- Minimum under clearance is three eighths (3/8) inches. This tolerance must be held to ensure that the car does not drag on the lane guide strip.
- Only the official nails provided in the official BSA Derby Car Kits may be used as axles. Only replacement nails & wheels, including colored wheels, sold at the Council Scout Shop are legal. No solid axles are permitted. Only dry powder lubricants such as graphite may be used.
- Wheels may be sanded to remove mold flash, but the tread must remain full width and flat. Cars must be lubricated before inspection. No further lubrication will be permitted.
- The wheelbase must be kept stock as furnished on the block of wood. This dimension is four and three eighths (4 -3/8) inches. Must use axel slots as furnished.
- This is a parent and Cub Scout project. The parent should do no more than rough shape the block and assist in installing wheels and axles.
- If a car jumps off the track, leaves its lane, or interferes with another car, the heat will be run again. If it happens again, the problem car will automatically lose that heat.
- If a car suffers a mechanical problem (breaks a wheel, etc.) and repair can be made in a reasonable time, the heat will run again. If repair is not possible, the car will lose that heat.
- The name of the Scout must be on the car. This can be directly printed in ink or paint on the car or on a piece of paper and taped on the car.
- All previous numbers and stickers must be removed.
- Pre-registration is required for all Cub Scouts competing.

  - After Lap 1 – "Change Tires" (remove shoes, turn socks inside out, replace and retie shoes)
  - After Lap 2 – "Gas Up" (drink ½ a cup of water)
  - After Lap 3 – "Clean Windshield" (wipe goggles with washcloth)
- After the last pit stop, the driver will be directed to the finish line.

## 2020 SCOUTING THE ZOO Frequently Asked Questions (FAQs)

### **Why would I need to include numbers of participants if I'm not needing to purchase tickets and they are not going to participate in program?**

A: We'd like to get an accurate count of all attendees that are connected with the event for tracking and insurance reasons. So, even a family member, with a zoo pass, who doesn't want a patch or food, should still be counted as they wouldn't likely have been at the zoo without their connection to the Scouting program.

### **I'm a Cub Scout leader, can my pack camp overnight?**

A: Unfortunately, not as a pack, no. Only those packs that attended the Cub camping kick-off meeting in January, completed an application and were subsequently selected for the program are allowed to camp as a pack. Webelos and Arrow of Light Scouts are permitted to camp with a participating troop if the troop invites them, but no other Cub Scouts or siblings are allowed to camp overnight with a troop.

### **Can I add people past the registration deadline?**

A: There are some circumstances where this will be ok. E-mail [ScoutingTheZoo@gmail.com](mailto:ScoutingTheZoo@gmail.com) to request the additions before paying for them so that we can record accurate additions if allowed.

### **I'm trying to register online but the discount codes aren't working.**

A: This is likely because you are attempting to register outside the discount code windows. Discounts are only permitted during the timeframes specified in the event guide. If it's not working and you are within the proper window, please check the spelling of the code and then e-mail [ScoutingTheZoo@gmail.com](mailto:ScoutingTheZoo@gmail.com).

### **We've registered for the event, when will I get my tickets and wristbands?**

A: We utilize digital tickets (QR codes) for this event. They should arrive beginning in May and will be sent to the person who placed the order. Each order will be provided one QR code for admission and one QR code for parking and it will scan the appropriate number of times as per the registration. If you haven't received your tickets by September 2, 2020, please e-mail [ScoutingTheZoo@gmail.com](mailto:ScoutingTheZoo@gmail.com) for inquiries. Wristbands will be handed out at the Friday night leader's meeting (troops and crews) or during check-in on Saturday (packs and day units).

### **I have my QR codes from my order, what do I do with them now?**

A: That is up to how your unit decided how to handle ticket distribution. You can e-mail the QR codes to all your families or some units still want paper copies and you are welcome to print them and distribute. Please note that the number of times each QR code will scan is the exact number of times matching the amount of admission tickets or parking and drop-off passes that were paid for.

### **Some of my Scouts want to do a "behind the scenes" activity, what options are there for that?**

A: Follow us on Facebook before and during the event for opportunities to be a part of the behind the scenes activities. Group sizes and times are limited.

### **I have questions that aren't answered here, who do I talk to?**

A: Please e-mail [ScoutingTheZoo@gmail.com](mailto:ScoutingTheZoo@gmail.com) with your questions. Several members of the leadership team monitor that e-mail and will respond to you and your question. Please allow for 24-36 hours for responses as we are volunteers as well. Of course we will do our best to respond within a few hours, or sooner, as much as possible.

### **Where can I find more information?**
