

Request for Extension of Time to Earn Eagle Scout Rank

This form is only for the current COVID-19 (Corona Virus) situation.

The BSA National Advancement Team has announced a temporary advancement policy change during the current COVID-19 emergency and the “stay at home” order issued by the State of Wisconsin. Until September 30, 2020, Three Harbors Council will be authorized to directly grant time extensions to Life Scouts who believe that they will be prevented from completing their Eagle Scout rank requirements before their 18th birthday by the COVID-19 disruptions.

You will be notified that your request has been received, and the review of your request will be completed as soon as possible. You’ll then be notified by email of the disposition of your request. If it is approved, the extension approval certificate you receive must be attached to your Eagle Scout Rank Application form when it is submitted for your board of review. All applicants will also need to register as adults when they turn 18 to continue their work on Eagle rank requirements beyond that age. Details will be provided on approval of their time extension.

Applications should be submitted to **3HCAdvancment@gmail.com**. If you have any questions, please contact your district advancement chair.
