- Tips for a smooth Wreath Pick-Up
 - Stick to your appointment time as close as possible
 - Follow the signs and stay in line.
 - Bring a large enough vehicle (or vehicles) to transport easily
 - DO NOT put your heat on the floor, it will burn the wreaths before you make it home!
 - DO NOT put your wreaths directly on concrete waiting for your unit to pick up as it will dry out the evergreens. Placing wreaths on your lawn is preferred.

Order pick-ups with large or numerous wreaths are recommended to bring an adequately sized truck with a bed or a trailer. Large wreath pick-ups may need to come to a secondary, larger loading door. We will direct you.
