

2026 Campership Application

Please complete one form for each applicant.

The purpose of the campership is to provide assistance to Scouts who need it. Funds are made available through special fundraising efforts and from the council's operating budget. This program is not intended to provide all of the camp fees. **EVERY SCOUT MUST EARN THEIR WAY TO CAMP.** Paying a Scout's way to camp is a joint effort of the Scout, the unit, chartering organization, the Scout's family, and the campership program.

This application must be completed by the parents and returned to the Scout Service Center ***no later than May 1st***. An application does not guarantee funding. Applications or incomplete applications received after this date will be reviewed but you may not receive funding. **Camperships are only available for Council sponsored accredited camps.**
