THE FUNDAMENTALS OF TRAINING: This is the first part of the three-part train-the-trainer continuum. The course introduces teaching techniques and skills to trainers, regardless of their experience, and instructs them on how to present effective training. Intended for both youth and adult trainers, the course will help those who train or lead group activities. Additionally, it will help freshen up the skills of current BSA trainers.

THE TRAINER'S EDGE: The Trainer's EDGE is meant to supplement the practice offered through Wood Badge and NYLT staff development, with a focus on the participant, while raising the level of skill a trainer brings to the staff experience. Only practice can polish these skills, but this course is intended to "train the trainer" on behaviors and resources while offering hands-on experience in methods and media

Who should attend? This training is designed for Wood Badge and NYLT trainers as well as Roundtable Commissioners, Camp Staff, Council Trainers, and anyone else interested in improving their training and platform skills.

Pre-Course Preparation: Each participant will be required to conduct a 10-minute presentation on a topic of their choosing. This is part of the program. Contact Course Directors with questions.
