The Wisconsin Maritime Museum's USS COBIA Overnight Education Program offers people a once-in-a-lifetime opportunity to experience first-hand a taste of the submarine lifestyle. The program offers not only an educational alternative to the traditional camp-out, it also facilitates an appreciation of history and insight into a unique time in America's past. Scouts even have the opportunity to earn towards the American Heritage Badge or the Engineering Badge during their visit.

Overnight participants will receive a guided tour and overnight accommodation on board a World War II submarine! In addition to undertaking various educational activities, participants will be offered special supervised access to some non-public areas of the submarine and admission to the Museum. Advance reservations are required.

COST: \$39.00 per person

Contact Dawn at the Museum by calling... 920-684-0218, extension 106, or toll free at 1-866-724-2356, extension 106, to make a reservation.

Experience Great Lakes maritime history at the largest maritime museum in the Midwest and the only Smithsonian affiliate in Wisconsin. Take a guided tour of USS *Cobia*, the nation's most completely restored WWII submarine; operate a triple-expansion steam engine; stroll the streets of a historic Great Lakes port; scan the harbor through a periscope; explore some of the spectacular boats made in Wisconsin; land a record setting salmon at the Sport fishing Simulator; and think like a scientist in our Suspect Species Investigation Lab!

Information learned at the Wisconsin Maritime Museum will meet some of the requirements needed for the Boy Scout Merit Badge: American Heritage or Engineering.

Visiting the Museum or participating in the Overnight Education Program meets two of the requirements. Many of the remaining activities will have to be completed on your own or as a troop.

For your convenience, documents and links to many of the remaining requirements can be found on the Wisconsin Maritime Museum website at:
