

# BALOO TRAINING

April 28-29, 2023  
(Friday-Saturday)

\$32.<sup>00</sup>

## **What is BALOO training?**

Basic Outdoor Leadership Outdoor Orientation (BALOO) is required training for a pack to take cub scouts (including WEBELOS) camping. This course satisfies the in-person requirement for BALOO training. At least 1 registered adult leader present during any cub scout campout (including a joint troop-pack campout) must be BALOO trained. Three Harbors Council recommends that each pack have as many BALOO trained leaders as possible to prevent having to cancel a camping event.

This course will not turn you into an expert in camping. This course is an introduction to the following topics: GPS use, aquatics, gear selection, nature, hiking, campfire program planning, outdoor ethics, cooking and sanitation, first aid, knife safety, campsite selection, meal planning, games, interfaith worship (Scouts own), outdoor ceremonies, stoves, lanterns, fire safety, basic knots, and program planning.

Prior to attending this in person training you must complete the online BALOO training, and you must be current with your Youth Protection Training. Both courses are available for free and online at [training.scouting.org](https://training.scouting.org).

This course requires 1 overnight in a tent. You will receive a packing list of required, and recommended camping items after registration. It is your responsibility to arrive prepared for the overnight in a tent.
